SOLICITATION OF PROXIES

This information circular (the “**Circular**”) is provided in connection with the solicitation of proxies by the Management of Kenorland Minerals Ltd. (the “**Company**”). The form of proxy which accompanies this Circular (the “**Proxy**”) is for use at the annual general meeting of the shareholders of the Company to be held on Thursday, July 24, 2025 (the “**Meeting**”), at the time and place set out in the accompanying notice of Meeting (the “**Notice of Meeting**”). The Company will bear the cost of this solicitation. The solicitation will be made by mail but may also be made by telephone.

APPOINTMENT AND REVOCATION OF PROXY

The persons named in the Proxy are directors and/or officers of the Company. **A registered shareholder who wishes to appoint some other person to serve as their representative at the Meeting may do so by striking out the printed names and inserting the desired person’s name in the blank space provided.** The completed Proxy should be delivered to Computershare Investor Services Inc. (“**Computershare**”) by 11:00 a.m. (local time in Vancouver, British Columbia) on Tuesday, July 22, 2025, or before 48 hours (excluding Saturdays, Sundays and holidays) before any adjournment of the Meeting at which the Proxy is to be used.

The Proxy may be revoked by:

- (a) signing a proxy with a later date and delivering it at the time and place noted above;
- (b) signing and dating a written notice of revocation and delivering it to Computershare, or by transmitting a revocation by telephonic or electronic means, to Computershare, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of it, at which the Proxy is to be used, or delivering a written notice of revocation and delivering it to the Chairman of the Meeting on the day of the Meeting or adjournment of it; or
- (c) attending the Meeting or any adjournment of the Meeting virtually and registering with the scrutineer as a shareholder present in person.

Provisions Relating to Voting of Proxies

The shares represented by Proxy in the form provided to shareholders will be voted or withheld from voting by the designated holder in accordance with the direction of the registered shareholder appointing him. If there is no direction by the registered shareholder, those shares will be voted for all proposals set out in the Proxy and for the election of directors and the appointment of the auditors as set out in this Circular. The Proxy gives the person named in it the discretion to vote as such person sees fit on any amendments or variations to matters identified in the Notice of Meeting, or any other matters which may properly come before the Meeting. At the time of printing of this Circular, the management of the Company (the “Management”) knows of no other matters which may come before the Meeting other than those referred to in the Notice of Meeting.

Advice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to many shareholders, as a substantial number of shareholders do not hold common shares in their own name. Shareholders who hold their common shares through their brokers, intermediaries, trustees or

other persons, or who otherwise do not hold their common shares in their own name (referred to herein as “**Beneficial Shareholders**”) should note that only proxies deposited by shareholders who appear on the records maintained by the Company’s registrar and transfer agent as registered holders of common shares will be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a Beneficial Shareholder by a broker, then those common shares will, in all likelihood, not be registered in the shareholder’s name. Such common shares will more likely be registered under the name of the shareholder’s broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). In the United States, the vast majority of such common shares are registered under the name of Cede & Co., the registration name for The Depository Trust Company, which acts as nominee for many United States brokerage firms. Common shares held by brokers (or their agents or nominees) on behalf of a broker’s client can only be voted or withheld at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker’s clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their common shares are voted at the Meeting. The form of instrument of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the instrument of proxy provided directly to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The vast majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. (“**Broadridge**”) in Canada. Broadridge typically prepares a machine-readable voting instruction form (“**VIF**”), mails those forms to Beneficial Shareholders and asks Beneficial Shareholders to return the VIFs to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge VIF cannot use that form to vote common shares directly at the Meeting. The VIFs must be returned to Broadridge (or instructions respecting the voting of common shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the common shares voted. If you have any questions respecting the voting of common shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.**

The Notice of Meeting, Circular, Proxy and VIF, as applicable, are being provided to both registered shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories - those who object to their identity being known to the issuers of securities which they own (“**OBOs**”) and those who do not object to their identity being made known to the issuers of the securities which they own (“**NOBOs**”). Subject to the provisions of National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), issuers may request and obtain a list of their NOBOs from intermediaries directly or via their transfer agent and may obtain and use the NOBO list for the distribution of proxy-related materials directly (not via Broadridge) to such NOBOs. If you are a Beneficial Shareholder and the Company or its agent has sent these materials directly to you, your name, address and information about your

holdings of common shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the common shares on your behalf.

Pursuant to the provisions of NI 54-101, the Company is providing the Notice of Meeting, Circular and Proxy or VIF, as applicable, to both registered owners of the securities and non-registered owners of the securities. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the Company (and not the intermediary holding common shares on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the VIF. As a result, if you are a non-registered owner of the securities, you can expect to receive a scannable VIF from Broadridge. Please complete and return the VIF to Broadridge in the envelope provided or by facsimile. In addition, internet voting instructions can be found on the VIF. Broadridge will tabulate the results of the VIFs received from the Company's NOBOs and will provide appropriate instructions at the Meeting with respect to the common shares represented by the VIFs they receive.

The Company's OBOs can expect to be contacted by Broadridge or their brokers or their broker's agents as set out above. The Company does intend to pay for intermediaries to deliver the Notice of Meeting, Circular and VIF to OBOs.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting common shares registered in the name of his broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered shareholder and vote the common shares in that capacity. NI 54-101 allows a Beneficial Shareholder who is a NOBO to submit to the Company or an applicable intermediary any document in writing that requests that the NOBO or a nominee of the NOBO be appointed as proxyholder. If such a request is received, the Company or an intermediary, as applicable, must arrange, without expenses to the NOBO, to appoint such NOBO or its nominee as a proxyholder and to deposit that proxy within the time specified in this Circular, provided that the Company or the intermediary receives such written instructions from the NOBO at least one business day prior to the time by which proxies are to be submitted at the Meeting, with the result that such a written request must be received by 10:00 a.m. (Vancouver time) on the day which is at least three business days prior to the Meeting. **A Beneficial Shareholder who wishes to attend the Meeting and to vote their common shares as proxyholder for the registered shareholder, should enter their own name in the blank space on the VIF or such other document in writing that requests that the NOBO or a nominee of the NOBO be appointed as proxyholder and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.**

All references to shareholders in the Notice of Meeting, Circular and the accompanying Proxy are to registered shareholders of the Company as set forth on the list of registered shareholders of the Company as maintained by the registrar and transfer agent of the Company, Computershare, unless specifically stated otherwise.

Corporate Cease Trade Orders or Bankruptcies

Other than as described below, no director or proposed director of the Company is, or within the ten years prior to the date of this Circular, has been a director or executive officer of any company, including the Company, that while that person was acting in that capacity:

- (a) was the subject of a cease trade order or similar order or an order that denied the company access to any exemption under securities legislation for a period of more than 30 consecutive days; or
- (b) was subject to an event that resulted, after the director ceased to be a director or executive officer of the company being the subject of a cease trade order or similar order or an order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days; or

Mr. Sujir was on the board of directors of Red Eagle Mining Corp. which owned and operated the Santa Rosa mine in Colombia. Due to start up issues, Red Eagle had difficulty servicing its project debt and the mine was only able to commence commercial production on the basis of forbearances from the secured lenders. In August 2018, Red Eagle obtained a firm commitment from a third party to refinance the debt with concessions and co-operation from the secured lenders, but in October 2018, the third party defaulted on its commitment and as a result, the secured lenders withdrew their forbearances and appointed a receiver-manager over the assets of Red Eagle. In addition, Red Eagle is subject to a cease trade order issued by the British Columbia Securities Commission on November 20, 2018 for failure to file interim financial statements, MD&A and certification of interim filings for the period ended September 30, 2018.

Individual Bankruptcies

Notes:

- (1) This amount is the aggregate dollar value that would have been realized if the options under option-based awards had been exercised on the vesting date. It is determined by the difference between the exercise price of the option and the market price of the underlying Shares on the date of vesting. If the option was not in-the-money then a NIL value was assigned.
- (2) This amount is the aggregate dollar value realized upon vesting of the RSUs on the vesting date. It is determined by multiplying the number of vested RSUs by the market price of the underlying Shares on the date of vesting.
- (3) There were no share-based awards outstanding or awarded during the year ended December 31, 2024.
- (4) There were no non-equity incentive plan compensation outstanding or awarded during the year ended December 31, 2024.

No compensation securities were re-priced, cancelled and replaced, had their term extended, or otherwise materially modified in the Company's financial year ended December 31, 2024.

There are no restrictions or conditions for converting, exercising or exchanging the compensation securities, provided that the Board determined that the stock options granted above vest over an 18-month period such that 25% of the options granted vested on grant and every six months thereafter, or over a three-year period such that one-third of the options granted vested on grant and every year thereafter, or as otherwise set forth in the Company's Share Incentive Plan, as applicable.

Share Incentive Plan

At the Company's annual general meeting held September 27, 2024, the Shareholders ratified the Company's omnibus share incentive plan (the "**Share Incentive Plan**") under which the Directors were authorized to grant options to purchase up to 15,045,158 (together with any other incentive awards) of the Company's common shares from time to time.

The Company is proposing amendments to the Share Incentive Plan further described below at "Approval of Amendments to Share Incentive Plan" to increase the number of shares reserved under the Share Incentive Plan to 15,551,993.

Summary of Share Incentive Plan

The following is a summary of the key provisions of the Share Incentive Plan. The following summary is qualified in all respects by the full text of the Share Incentive Plan, a copy of which is filed on the Company's profile on SEDAR+. All terms used but not defined in this section have the meaning ascribed thereto in the Share Incentive Plan.

Purpose

The purpose of the Share Incentive Plan is:

- (a) to increase the interest in the Company's welfare of those employees, officers, directors and consultants (who are considered "Eligible Participants" under the Share Incentive Plan) who share responsibility for the management, growth and protection of the business of the Company or a subsidiary of the Company;
- (b) to provide an incentive to such Eligible Participants to continue their services for the Company or a subsidiary of the Company and to encourage such Eligible Participants whose skills, performance and loyalty to the objectives and interests of the Company or a subsidiary of the Company are necessary or essential to its success, image, reputation or activities;
- (c) to reward Eligible Participants for their performance of services while working for the Company or a subsidiary of the Company; and
- (d) to provide a means through which the Company or a subsidiary of the Company may attract and retain able persons to enter its employment or service.

Plan Administration

The Share Incentive Plan shall be administered and interpreted by the Board or, if the Board by resolution so decides, by a committee appointed by the Board. Subject to the terms of the Share Incentive Plan, applicable law and the policies of the TSX Venture Exchange, the Board (or its delegate) will have the power and authority to: (i) designate the Eligible Participants who will receive Awards (an Eligible Participant who receives an Award, a "Participant"), (ii) designate the types and amount of Awards to be granted to each Participant, (iii) determine the terms and conditions of any Award, including any vesting conditions or conditions based on performance of the Company or of an individual ("Performance Criteria"); (iv) interpret and administer the Share Incentive Plan and any instrument or agreement relating to it, or any Award made under it; and (v) make such amendments to the Share Incentive Plan and Awards as are permitted by the Share Incentive Plan and the policies of the TSX Venture Exchange.

Shares Available for Awards

Subject to adjustment as provided for under the Share Incentive Plan, and as may be approved by the TSX Venture Exchange and the shareholders of the Company from time to time, the maximum number of Shares reserved for issuance, in the aggregate, pursuant to the exercise of Awards granted under the Share Incentive Plan shall be equal to 15,045,158.

Shares covered by Awards which have been settled in cash, and Awards which expire or are forfeited, surrendered, cancelled or otherwise terminated or lapse for any reason without having been exercised, will be available for subsequent grant under the Share Incentive Plan, subject to the participation limits outlined below. Shares of the Company covered by Awards which have been exercised or settled in Shares, as applicable, are not available for subsequent grant under the Share Incentive Plan and the Share Incentive Plan will not be replenished as a result of same.

Participation Limits

The Share Incentive Plan provides the following limitations on grants:

- (a) In no event shall the Share Incentive Plan, together with all other previously established and outstanding Share Compensation Arrangements of the Company, permit at any time:
 - (i) the aggregate number of Shares reserved for issuance under Awards granted to Insiders (as a group) at any point in time exceeding 10% of the issued and outstanding Shares on a non-diluted basis; or
 - (ii) the grant to Insiders (as a group), within any 12 month period, of an aggregate number of Awards exceeding 10% of the issued and outstanding Shares on a non-diluted basis, calculated at the date an Award is granted to any Insider,unless the Company has obtained the requisite disinterested shareholder approval.
- (b) The maximum aggregate number of Awards granted to any one person (and companies wholly-owned by that person) in any 12 month period shall not exceed 5% of the issued and outstanding Shares on a non-diluted basis, calculated on the date an Award is granted to the person, unless the Company has obtained the requisite disinterested shareholder approval.
- (c) The maximum aggregate number of Awards granted to any one Consultant in any 12 month period shall not exceed 2% of the issued and outstanding Shares on a non-diluted basis, calculated at the date an Award is granted to the Consultant.
- (d) The maximum aggregate number of Options granted to all persons retained to provide Investor Relations Activities shall not exceed 2% of the issued and outstanding Shares on a non-diluted basis in any 12 month period, calculated at the date an Option is granted to any such person.
- (e) In the event that any dividend equivalents are awarded in respect of a Share Unit or DSU or any DSU or Share Unit granted has payout multiplier features which would cause the number of Shares reserved for issuance under the Share Incentive Plan to exceed 10% of the issued and outstanding Shares or otherwise cause any of the participation limits in the Share Incentive Plan not to be met, the Board shall be permitted to satisfy such dividend equivalent or payout multiplier through the payment of cash.

Eligible Participants

In respect of a grant of Options, an Eligible Participant is any director, executive officer, employee or Consultant of the Company or any of its subsidiaries. In respect of a grant of Share Units, an Eligible Participant is any director, executive officer, employee or Consultant of the Company or any of its subsidiaries other than persons retained to provide Investor Relations Activities. In respect of a grant of DSUs, an Eligible Participant is any non-employee director of the Company or any of its subsidiaries other than persons retained to provide Investor Relations Activities.

Description of Awards

Options

An Option is an option granted by the Company to a Participant entitling such Participant to acquire a designated number of Shares from treasury at a specified exercise price (the "Option Price"). Options are exercisable over a period established by the Board from time to time and reflected in the Participant's Option Agreement, which period shall not exceed 10 years from the date of grant. Notwithstanding the expiration provisions set forth in the Share Incentive Plan, if the date on which an Option expires falls within a Blackout Period (as defined in the Share Incentive Plan), the expiration date of the Option will be the date that is ten (10) Business Days after the Blackout Period Expiry Date. The Option Price shall not be set at less than the Market Value of a Share (as defined in the Share Incentive Plan) as of the date of the grant, less any discount permitted by the TSX Venture Exchange.

At the time of grant of an Option, the Board may establish vesting conditions in respect of each Option grant, which may include performance criteria related to corporate or individual performance. Notwithstanding the foregoing, Options granted to persons retained to provide Investor Relations Activities must vest in stages over a period of not less than 12 months with no more than one-quarter (1/4) of the Options vesting in any three month period.

No acceleration of the vesting provisions of Options granted to persons retained to provide Investor Relations Activities is allowed without the prior acceptance of the TSX Venture Exchange.

The Share Incentive Plan also permits the Board to grant an option holder, at any time, the right to deal with such Option on a cashless exercise basis or to receive a cash payment equal to the difference between the market price of the shares on the day immediately prior to the date of the exercise of the cashless exercise right, and the Option Price (less applicable withholding taxes), subject to the rules of the applicable stock exchange on which the shares are listed from time to time.

Share Units

A Share Unit is an Award that is a bonus for services rendered in the year of grant that, upon settlement, entitles the recipient Participant to receive a cash payment equal to the Market Value of a Share or, at the sole discretion of the Board, a Share. The right of a holder to have their Share Units redeemed is subject to such restrictions and conditions on vesting as the Board may determine at the time of grant. Restrictions and conditions on vesting conditions may, without limitation, be based on the passage of time during continued employment or other service relationship (commonly referred to as an RSU), the achievement of specified Performance Criteria (commonly referred to as a PSU) or both.

The Board shall have sole discretion to determine if any vesting conditions with respect to a Share Unit, including any Performance Criteria, or other vesting conditions with respect to a Share Unit, have been met and shall communicate to a Participant as soon as reasonably practicable the date on which all such applicable vesting conditions or Performance Criteria have been satisfied and the Share Units have vested. Subject to the vesting and other conditions and provisions in the Share Incentive Plan and in the applicable Share Unit Agreement, each Share Unit awarded to a Participant shall entitle the Participant to receive, on settlement, a cash

payment equal to the Market Value of a Share, or, at the discretion of the Board, one Share or any combination of cash and Shares as the Board in its sole discretion may determine, in each case less any applicable withholding taxes. The Company (or the applicable subsidiary) may, in its sole discretion, elect to settle all or any portion of the cash payment obligation by the delivery of Shares issued from treasury or acquired in the secondary market by a trustee or administrative agent appointed by the Board, on behalf of the Participant. Subject to the terms and conditions in the Share Incentive Plan, vested Share Units shall be redeemed by the Company (or the applicable subsidiary) as described above on the earlier of the expiry date of the Share Units or the 15th day following the vesting date.

Notwithstanding the foregoing, if the date on which any Share Units would otherwise vest falls within a Blackout Period or within nine Business Days after a Blackout Period expiry date, the vesting date of such Share Units will be deemed to be the date that is the earlier of ten (10) Business Days after the Blackout Period expiry date and the Share Unit expiry date.

Dividend equivalents may, as determined by the Board in its sole discretion, be awarded as a bonus for services rendered in the year in respect of unvested Share Units in a Participant's account on the same basis as cash dividends declared and paid on Shares as if the Participant was a holder of record of Shares on the relevant record date. In the event that the Participant's applicable Share Units do not vest, all dividend equivalents, if any, associated with such Share Units will be forfeited by the Participant.

Deferred Share Units

A DSU is an Award for services rendered, or for future services to be rendered, and that, upon settlement, entitles the recipient Participant to receive cash or acquire Shares, as determined by the Company in its sole discretion.

A Participant is only entitled to redemption of a DSU when the Participant ceases to be a director of the Company for any reason, including termination, retirement or death. The Board does not have the right to alter the vesting conditions of DSUs, which conditions will immediately vest upon termination of employment, provided that no DSU vest on a date earlier than the date which is one year following issuance subject to a Change of Control or, at the discretion of the Board, in the case of the death of Participant.

Subject to the vesting and other conditions and provisions in the Share Incentive Plan and in any DSU Agreement, each DSU awarded to a Participant shall entitle the Participant to receive on settlement a cash payment equal to the Market Value of a Share, or, at the discretion of the Board, one Share or any combination of cash and Shares as the Company in its sole discretion may determine.

DSUs shall be redeemed and settled by the Company as soon as reasonably practicable following the Participant's termination date, but in any event not later than, and any payment (either in cash or in Shares) in respect of the settlement of such DSUs shall be made no later than, December 15th of the first calendar year commencing immediately after the Participant's termination date. The Company will have, at its sole discretion, the ability to elect to settle all or any portion of the cash payment obligation by the delivery of Shares issued from treasury or acquired in the secondary market by a trustee or administrative agent appointed by the Board on behalf of the Participant.

Dividend equivalents may, as determined by the Board in its sole discretion, be awarded in respect of DSUs in a Participant's account on the same basis as cash dividends declared and paid on Shares as if the Participant was a holder of record of Shares on the relevant record date. In the event that the Participant's applicable DSUs do not vest, all dividend equivalents, if any, associated with such DSUs will be forfeited by the Participant.

Effect of Termination on Awards

Except as otherwise provided in any Employment Agreement or Consulting Agreement or in any Award Agreement, Awards are subject to the following conditions:

- (a) Resignation: Upon a Participant ceasing to be an Eligible Participant as a result of his or her resignation from the Company or a subsidiary (other than by reason of retirement):
 - (i) each unvested Option granted to such Participant shall terminate and become void immediately upon such resignation;
 - (ii) each vested Option held by such Participant shall cease to be exercisable on the earlier of (A) ninety (90) days after the Participant's termination date (or such later date as the Board may, in its sole discretion, determine, provided that in no case shall such date exceed 12 months following termination) and (B) the expiry date of such Option as set forth in the applicable Option Agreement, after which such vested Option will expire; and
 - (iii) the Participant's participation in the Share Incentive Plan shall be terminated immediately, and all Share Units credited to such Participant's account that have not vested shall be forfeited and cancelled, and the Participant's rights that relate to such Participant's unvested Share Units shall be forfeited and cancelled on the termination date.
- (b) Termination for Cause: Upon a Participant ceasing to be an Eligible Participant for Cause (as determined by the Company, which determination shall be binding on the Participant for purposes of the Share Incentive Plan):
 - (i) any vested or unvested Options granted to such Participant shall terminate automatically and become void immediately; and
 - (ii) the Participant's participation in the Share Incentive Plan shall be terminated immediately, and all Share Units credited to such Participant's account that have not vested shall be forfeited and cancelled, and the Participant's rights that relate to such Participant's unvested Share Units shall be forfeited and cancelled on the termination date.
- (c) Termination not for Cause: Upon a Participant ceasing to be an Eligible Participant as a result of his or her employment or service relationship with the Company or a subsidiary being terminated without Cause:
 - (i) each unvested Option granted to such Participant shall terminate and become void immediately;

- (ii) each vested Option held by such Participant shall cease to be exercisable on the earlier of (A) ninety (90) days after the Participant's termination date (or such later date as the Board may, in its sole discretion, determine, provided that in no case shall such date exceed 12 months following termination) and (B) the expiry date of such Option as set forth in the applicable Option Agreement, after which such vested Option will expire; and
 - (iii) all unvested Share Units in the Participant's account as of such date relating to a Restriction Period in progress shall be forfeited and cancelled (unless the Board, in its sole discretion, instead accelerates the vesting or waives vesting conditions with respect to all or some portion of such unvested Share Units).
- (d) Termination Due to Retirement or Permanent Disability: Upon a Participant ceasing to be an Eligible Participant by reason of retirement or permanent disability:
 - (i) each unvested Option granted to such Participant shall terminate and become void immediately;
 - (ii) each vested Option held by such Participant shall cease to be exercisable on the earlier of (A) ninety (90) days from the date of retirement or the date on which the Participant ceases his or her employment or service relationship with the Company or any subsidiary by reason of permanent disability (or such later date as the Board may, in its sole discretion, determine) and (B) the expiry date of such Option as set forth in the applicable Option Agreement, after which such vested Option will expire; and
 - (iii) all unvested Share Units in the Participant's account as of such date relating to a Restriction Period in progress shall be forfeited and cancelled (unless the Board, in its sole discretion, instead accelerates the vesting or waives vesting conditions with respect to all or some portion of such unvested Share Units).
- (e) Termination Due to Death: Upon a Participant ceasing to be an Eligible Participant by reason of death:
 - (i) each unvested Option granted to such Participant shall terminate and become void immediately;
 - (ii) each vested Option held by such Participant at the time of death may be exercised by the liquidator, executor or administrator, as the case may be, of the estate of the Participant, provided that any such vested Option shall cease to be exercisable on the earlier of (A) the date that is twelve (12) months after the Participant's death and (B) the expiry date of such Option as set forth in the applicable Option Agreement, after which such vested Option will expire; and
 - (iii) all unvested Share Units in the Participant's account as of such date relating to a Restriction Period in progress shall be forfeited and cancelled (unless the Board, in its sole discretion, instead accelerates the vesting or waives vesting conditions with respect to all or some portion of such unvested Share Units).

- (f) Termination in Connection with a Change of Control: If the Company completes a transaction constituting a Change of Control and within 12 months following the Change of Control, a Participant who was also an officer or employee of, or a Consultant to, the Company prior to the Change of Control has their employment agreement or consulting agreement terminated:
- (i) all unvested Options granted to such Participant shall immediately vest and become exercisable, and remain open for exercise until the earlier of (A) their expiry date as set out in the applicable Option Agreement and (B) the date that is ninety (90) days after such termination or dismissal; and
 - (ii) all unvested Share Units shall become vested, and the date of such Participant's termination date shall be deemed to be the vesting date.

Change of Control

In the event of a Change of Control, the Board will have the power, in its sole discretion, to accelerate the vesting of Options to assist the Participants to tender into a take-over bid or participate in any other transaction leading to a Change of Control. For greater certainty, in the event of a take-over bid or any other transaction leading to a Change of Control, the Board shall have the power, in its sole discretion, to (a) provide that any or all Options shall thereupon terminate, provided that any such outstanding Options that have vested shall remain exercisable until consummation of such Change of Control, and (b) permit Participants to conditionally exercise their vested Options immediately prior to the consummation of the take-over bid and the Shares issuable under such Options to be tendered to such bid, such conditional exercise to be conditional upon the take-up by such offeror of the Shares or other securities tendered to such take-over bid in accordance with the terms of such take-over bid (or the effectiveness of such other transaction leading to a Change of Control). In the event of a Change of Control, the Board may also exercise its discretion to accelerate the vesting of, or waive the Performance Criteria or other vesting conditions applicable to, outstanding Share Units, and the date of such action shall be the vesting date of such Share Units.

Assignment

Except as set forth in the Share Incentive Plan, each Award granted under the Share Incentive Plan is personal to the Participant and shall not be assignable or transferable by the Participant, whether voluntarily or by operation of law, except by will or by the laws of descent and distribution.

Amendment or Discontinuance

The Board may amend the Share Incentive Plan or any Award at any time without the consent of the Participants, provided that such amendment shall not adversely alter or impair the rights of any Participant without the consent of such Participant (except as permitted by the provisions of the Share Incentive Plan), is in compliance with applicable law, and subject to any regulatory approvals including, where required, the approval of the TSX Venture Exchange (or any other stock exchange on which the Shares are listed) and is subject to shareholder approval to the extent such approval is required by applicable law or the requirements of the TSX Venture Exchange (or any other stock exchange on which the Shares are listed), provided that the Board may, from time to time, in its absolute discretion and without approval of the shareholders of the Company, make the following amendments:

- (a) any amendment necessary to comply with applicable law (including taxation laws) or the requirements of the TSX Venture Exchange (or any other stock exchange on which the Shares are listed) or any other regulatory body to which the Company is subject;
- (b) any amendment of a "housekeeping" nature, including, without limitation, amending the wording of any provision of the Share Incentive Plan for the purpose of clarifying the meaning of existing provisions or to correct or supplement any provision of the Share Incentive Plan that is inconsistent with any other provision of the Share Incentive Plan, correcting grammatical or typographical errors and amending the definitions contained within the Share Incentive Plan; or
- (c) any amendment regarding the administration of the Share Incentive Plan.

Notwithstanding the foregoing, the Board shall be required to obtain shareholder approval, including, if required by the applicable stock exchange, disinterested shareholder approval, to make the following amendments:

- (a) any amendment to the maximum percentage or number of Shares that may be reserved for issuance pursuant to the exercise or settlement of Awards granted under the Share Incentive Plan, including an increase to the fixed maximum percentage of Shares or a change from a fixed maximum number of Shares to a fixed maximum percentage of Shares or vice versa, except in the event of a permitted adjustment arising from a reorganization of the Company's share capital or certain other transactions;
- (b) any amendment which reduces the exercise price of any Award, as applicable, after such Award has been granted or any cancellation of an Award and the replacement of such Award with an Award with a lower exercise price or other entitlements, except in the event of a permitted adjustment arising from a reorganization of the Company's share capital or certain other transactions; provided, however, that, for greater certainty, disinterested shareholder approval will be required for any amendment which reduces the exercise price or extends the expiry date of any Option if the Participant is an Insider of the Company at the time of the amendment;
- (c) any amendment which extends the expiry date of any Award, or the Restriction Period of any Share Unit beyond the original expiry date or Restriction Period, except in the event of an extension due to a Blackout Period;
- (d) any amendment which would permit Awards granted under the Share Incentive Plan to be transferable or assignable other than for normal estate settlement purposes;
- (e) any amendment to the definition of an Eligible Participant under the Share Incentive Plan;
- (f) any amendment to the participation limits set out in the Share Incentive Plan; or
- (g) any amendment to the amendment provisions of the Share Incentive Plan.

The Board may, subject to regulatory approval, discontinue the Share Incentive Plan at any time without the consent of the Participants, provided that any such discontinuance does not materially and adversely affect any Awards previously granted to a Participant under the Share Incentive Plan.

Employment, consulting and management agreements

Except as described below, the Company does not have any contracts, agreements, plans or arrangements that provides for payments to a director or NEO at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, a change in control of the Company or a change in an NEO's responsibilities.

As referenced above, the Company has entered into an employment agreement dated January 1, 2021 with its President and Chief Executive Officer, Zachary Flood, and an employment agreement dated May 31, 2022 with its Chief Financial Officer and Corporate Secretary, Enoch Kong (collectively the **"Flood and Kong Employment Agreements"**). Pursuant to the terms of the Flood and Kong Employment Agreements, in the event of a termination of the employee without cause, the Company shall be obligated to pay to the employee the greater of (i) the entitlements of such employment under the *Employment Standards Act* (British Columbia) or (ii) 12 months' notice or pay in lieu of notice (the **"Severance Payment"**). In the event of a "Change of Control" of the Company, and provided that within six months of the effective date of such Change of Control, the employee is terminated by the Company without cause or by the employee for 'good reason', the Company shall pay to the employee an amount equal to 1.5 times the Severance Payment. In the case of the Kong Employment Agreement, Mr. Kong is entitled to an additional payment calculated as the average bonus payment received in the two most recent years.

The Company has also entered into employment agreements dated January 1, 2021, with Scott Smits, Vice President of Exploration and Janek Wozniowski, Vice President of Operations (collectively the **"Smits and Wozniowski Employment Agreements"**). Pursuant to the terms of the Smits and Wozniowski Employment Agreements, in the event of a termination of the employee without cause, the Company shall be obligated to pay to the employee the greater of (i) the entitlements of such employment under the *Employment Standards Act* (British Columbia) or (ii) six months' notice or pay in lieu of notice (the **"Six Months Severance Payment"**). In the event of a "Change of Control" of the Company, and provided that within six months of the effective date of such Change of Control, the employee is terminated by the Company without cause or by the employee for 'good reason', the Company shall pay to the employee an amount equal to 1.5 times the Six Months Severance Payment.

The following table sets out the payments due to each NEO that would be triggered by, or result from, a change of control, severance, termination without cause as of December 31, 2024, including stock options, assuming the exercise of all unexercised options, vested and unvested, as of December 31, 2024.

Oversight and Description of Director and Named Executive Officer Compensation

The objective of the Company's compensation program is to compensate the executive officers for their services to the Company at a level that is both in line with the Company's fiscal resources and competitive with companies at a similar stage of development.

The Company compensates its executive officers based on their skill, qualifications, experience level, level of responsibility involved in their position, the existing stage of development of the Company, the Company's resources, industry practice and regulatory guidelines regarding executive compensation levels.

During the financial year ended December 31, 2021, the Board established a corporate governance and compensation committee (the "**CGNC Committee**") responsible for, inter alia, assessing and making recommendations to the Board with respect to the compensation (including long-term incentive in the form of stock options and other share based compensation) to be granted to the Company's executive officers and directors to ensure that such compensation reflects the responsibilities and risks associated with each position. The CGNC Committee is currently comprised of Jay Sujir (Chair), Rick Trotman, and Jessica Van Den Akker, all of whom are independent directors of the Company, and governed by a CGNC Committee Charter.

The CGNC Committee reviews, on an annual basis, the corporate goals and objectives relevant to executive compensation, evaluates each executive officer's performance in light of those goals and objectives and recommends, in consultation with the CEO, each executive officer's compensation level based, in part, on such evaluation. The CEO does not make recommendations to the CGNC Committee in respect of his own compensation. The CGNC Committee takes into consideration the Company's overall performance including the advancement of existing mineral properties, acquisition of new projects and successful financing initiatives, shareholder returns and the awards given to executive officers in past years.

The CGNC Committee is also responsible for ensuring that the Company has in place an appropriate plan for executive compensation and for making recommendations to the Board with respect to the compensation of the Company's NEOs to ensure that total compensation paid to all NEOs is fair, reasonable, and consistent with the Company's compensation philosophy aimed at attracting and retaining quality and experienced people critical to the success of the Company and its commitment to delivering strong performance for the shareholders.

The Company compensates each non-executive director \$12,000 per annum plus an additional \$3,000 for each chair of a committee. Ms. Jessica Van Den Akker serves as chair of the audit committee and Mr. Jay Sujir serves as chair of the CGNC Committee. Mr. Zachary Flood does not receive compensation for his role as a director.

Compensation for the most recently completed financial year should not be considered an indicator of expected compensation levels in future periods. All compensation is subject to and dependent on the Company's financial resources and prospects.

Pension Disclosure

The Company does not have any pension or retirement plan which is applicable to the NEOs or directors. The Company has not provided compensation, monetary or otherwise, to any person who now or previously has acted as an NEO of the Company, in connection with or related to the retirement, termination or resignation of such person, and the Company has provided no compensation to any such person as a result of a change of control of the Company.

CORPORATE GOVERNANCE DISCLOSURE

National Policy 58-201 establishes corporate governance guidelines which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company's practices comply with the guidelines; however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore such guidelines have not been adopted. National Instrument 58-101 mandates disclosure of corporate governance practices which disclosure is set out below.

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the shareholders of the Company. Corporate governance also takes into account the role of the individual members of management appointed by the Board who are charged with the day-to-day management of the Company. The Board is committed to sound corporate governance practices, which are both in the interest of its shareholders and contribute to effective and efficient decision making.

Composition of the Board

The Board facilitates its exercise of independent supervision over management by ensuring that the Board is composed of a majority of independent directors. Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A “material relationship” is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director’s independent judgment. The Board has six directors, four of whom are considered to be independent. Messrs. Levy, Trotman, Sujir and Ms. Van Den Akker are considered to be independent directors for the purposes of NI 58-101. Mr. Flood is not considered to be independent due to his relationship to the Company as a senior officer. Mr. Yamato is not considered to be independent due to his relationship as an employee of Sumitomo Metal Mining Co. Ltd., the parent company of Sumitomo Metal Mining Canada Ltd., which holds 10% of the Company’s common shares and, among other things, the right to nominate a director of the Company pursuant to an investor rights agreement dated November 3, 2021 between the Company and Sumitomo Metal Mining Canada Ltd.

The Board of the Company facilitates its exercise of supervision over Company's management through frequent meetings of the Board.

Mandate of the Board

The Board has responsibility for the stewardship of the Company including responsibility for strategic planning, identification of the principal risks of the Company's business and implementation of appropriate systems to manage these risks, succession planning (including appointing, training and monitoring senior management), communications with investors and the financial community and the integrity of the Company's internal control and management information systems.

The Board sets long term goals and objectives for the Company and formulates the plans and strategies necessary to achieve those objectives and to supervise senior management in their implementation. The Board delegates the responsibility for managing the day-to-day affairs of the Company to senior management but retains a supervisory role in respect of, and ultimate responsibility for, all matters relating to the Company and its business. The Board is responsible for protecting shareholders’ interests and ensuring that the incentives of the shareholders and of management are aligned.

As part of its ongoing review of business operations, the Board reviews, as frequently as required, the principal risks inherent in the Company’s business including financial risks, through periodic reports from management of such risks, and assesses the systems established to manage those risks. Directly and through the Audit Committee, the Board also assesses the integrity of internal control over financial reporting and management information systems.

In addition to those matters that must, by law, be approved by the Board, the Board is required to approve any material dispositions, acquisitions and investments outside the ordinary course of business, long-term strategy, and organizational development plans. Management of the Company is authorized to act without board approval, on all ordinary course matters relating to the Company’s business.

The Board also monitors the Company’s compliance with timely disclosure obligations and reviews material disclosure documents prior to distribution. The Board is responsible for selecting the President and appointing senior management and for monitoring their performance.

Position Descriptions

The Board has not developed written position descriptions for the chair or the chair of any board committees or for the CEO. Given the size of the Company's infrastructure and the existence of only a small number of officers, the Board does not feel that it is necessary at this time to formalize position descriptions in order to delineate their respective responsibilities.

Orientation and Continuing Education

When new directors are appointed, they receive orientation, commensurate with their previous experience, on the Company's properties, business and industry and on the responsibilities of directors. New directors also receive historical public information about the Company and the mandates of the committees of the Board. Board meetings may also include presentations by the Company's management and employees to give the directors additional insight into the Company's business. In addition, new directors are encouraged to visit and meet with

management on a regular basis and to pursue continuing education opportunities where appropriate.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company. Further, the Company's auditor has full and unrestricted access to the Audit Committee at all times to discuss the audit of the Company's financial statements and any related findings as to the integrity of the financial reporting process.

Under applicable corporate legislation, a director is required to act honestly and in good faith with a view to the best interest of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction is a director or officer (or an individual acting in a similar capacity) of a party to the contract or voting on the contract or transaction, unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Company or an affiliate of the Company, (ii) is for indemnity or insurance for the benefit of the director in connection with the Company, or (iii) is with an affiliate of the Company. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Company at the time it was entered into, the contract or transaction is not invalid, and the director is not accountable to the Company for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Company and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

Nomination of Directors

The Board will consider its size each year when it considers the number of directors to recommend to the shareholders of the Company for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. The Board is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees for the next annual meeting of the shareholders.

New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the time required, show support for the Company's mission and strategic objectives, and a willingness to serve.

Compensation

The quantity and quality of the Board compensation is reviewed on an annual basis. At present, the Board is satisfied that the current compensation arrangements adequately reflect the responsibilities and risks involved in being an effective director of the Company. As well, the number of options to be granted is determined by the Board as a whole, which allows any independent directors to have input into compensation decisions. The Company has approved the formation of a Corporate Governance and Compensation Committee of which the current members are Jay Sujir, Rick Trotman and Jessica Van Den Akker.

Assessments

The Board annually reviews its own performance and effectiveness as well as the effectiveness and performance of its committees. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of individual directors are informally monitored by other Board members, bearing to mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

The Board monitors the adequacy of information given to directors, communication between the Board and Management and the strategic direction and processes of the Board and its committees.

The Board believes its corporate governance practices are appropriate and effective for the Company, given its size and operations. The Company's corporate governance practices allow the Company to operate efficiently, with checks and balances that control and monitor Management and corporate functions without excessive administration burden.

Other Board Committees

At the present time, in addition to the Audit Committee and the Corporate Governance and Compensation Committee, each as described above, the only other standing committee of the Board is the Environmental Social Governance Committee (the "**ESG Committee**"). The ESG Committee's mandate is to ensure that management develops and monitors standards for ensuring a safe, healthy work environment and sustainable development, encompassing both environmental matters and community relations with all stakeholders. The ESG Committee's function is one of oversight. The ESG Committee is currently comprised of Zachary Flood, Jessica Van Den Akker and Rick Trotman, the majority of whom are independent directors of the Company, and governed by an ESG Committee Charter.

The written charter of the Audit Committee, as required by NI 52-110, is contained in Schedule "A" to this Circular. The charter for the Corporate Governance and Compensation Committee and the charter for the ESG Committee are available on the Company's website at www.kenorlandminerals.com.

In order to be passed, the Share Incentive Plan Resolution requires the approval of a majority of the votes cast thereon by shareholders of the Company present in person or represented by proxy at the Meeting, excluding the votes attaching to Shares beneficially owned by insiders of the Company to whom Awards may be granted under the Share Incentive Plan and each of their respective associates.

The directors of the Company unanimously recommend that shareholders vote in favour of the Share Incentive Plan Resolution. In the absence of contrary instructions, the Management nominees named as proxyholders in the enclosed Proxy Instrument intend to vote FOR the Incentive Plan Resolution.
